

For over 50 years, music students from Arlington High School have entertained us with their music.

We are proud of our kids and their accomplishments, from our State Champion Marching Band, to our award winning Concert Bands, Jazz Ensembles, Winter Color Guard and Winter Percussion Ensembles.

Now we would like to provide you and your business with an opportunity to build your brand and associate yourself with these fine young men and women, your Arlington musicians, through our booster organization.

We have a number of **Sponsorship** and **Advertising** opportunities available for you and your business. All of these have a combination of print and web-based exposure which can complement your existing sales and marketing efforts. Our Board has packaged together a full year's worth of exposure for your business so you not only get to help out an award winning music program, but also get to put your name and logo in front of thousands of local consumers. Of course if you would rather not commit to a full year, you can choose to purchase in the Invitational program now and we will check back during the other seasons.

The Arlington Band Boosters is a non-profit organization, consisting of the parents and teachers of our young musicians. Our sole mission is to support and promote our young musicians and their teachers through a variety of activities, including fundraising. Funds raised through the sale of Sponsorships and Advertising go directly to support our kids, such as:

- Scholarships
- Music Training
- New instruments and equipment
- Travel to regional and national competitions

If you want to grow your business and associate yourself with a positive, creative organization in our community, then consider a Sponsorship or an Advertisement.

Prefer a donation instead? The Arlington Band Boosters are a 501(c)(3) non-profit organization, and all donations are tax deductible. Check with your accountant or tax professional.
